

The Wisdom Global School

Quick Math

Topic: Square of Numbers (Repeated Digits)

1. Find the square of 33333333
2. Find the square of 444444444
3. Find the square of 1111
4. Find the square of 777
5. Find the square of 6666
6. Find the square of 555
7. Find the square of 77777
8. Find the square of 7777
9. Find the square of 111111
10. Find the square of 11
11. Find the square of 7777777
12. Find the square of 2222222
13. Find the square of 666666
14. Find the square of 77777
15. Find the square of 1111
16. Find the square of 99999999
17. Find the square of 44444444
18. Find the square of 99999999
19. Find the square of 111111111
20. Find the square of 888888888
