Subject – Quick Math
Topic – 4×4 Magic Squares
(Worksheet)

Q1. Solve the following 4×4 magic square, whose sum is 58.

22	8		19
		16	
15			18
	20	21	7

Q2. Solve the following magic square whose sum is 50:

	13		20
18			6
	10	14	
	16	12	

Q3. Complete the magic square whose rows, columns and diagonals sum up to 38.

17		4	
	12		9
10		7	
	15		2

Q4. Complete the given magic square whose sum of each row, column and diagonal is 46.

19	5		
8		13	
	10		15
7		18	

Q5. Solve the 4×4 magic square, which begins with 1 and ends with 16.

16			
		10	8
9	7		
13	4	15	

Q6. Fill the 4×4 magic squares, so that the sum of the numbers horizontally, vertically and diagonally are:

- (a). 59
- (b). 69
- (c). 88
- (d). 105
- (e). 95
