

The Wisdom Global School

Quick Maths Worksheet

Multiplication of two digit numbers whose unit digit sum is 10 .

Solve the following

- 1) Find the product of 12×18
- 2) Find the product of 23×27
- 3) Find the product of 34×36
- 4) Find the product of 45×45
- 5) Find the product of 56×54
- 6) Find the product of 67×53
- 7) Find the product of 78×52
- 8) Find the product of 89×51
- 9) Find the product of 21×29
- 10) Find the product of 32×38
- 11) Find the product of 43×47
- 12) Find the product of 54×46
- 13) Find the product of 65×55
- 14) Find the product of 76×44
- 15) Find the product of 87×33
- 16) Find the product of 98×22
- 17) Find the product of 11×19
- 18) Find the product of 22×28
- 19) Find the product of 33×37
- 20) Find the product of 44×46
- 21) Find the product of 55×45
